In compliance with Order No. 5558,¹ the United States Postal Service (Postal Service) has filed in this docket Global Expedited Package Services – Non-Published Rates 15 (GEPS NPR 15) customer agreements, along with the inputs worksheets that were used to generate customer-specific rate tables for each agreement filed.

The GEPS NPR 15 Management Analysis that the Postal Service filed in this docket states:

- 

The Postal Service hereby gives notice of filing under seal:

- an unredacted version of this notice;

¹ Order No. 5558, Order Adding Global Expedited Package Services (GEPS) - Non-Published Rates 15 to the Competitive Product List, Docket Nos. MC2020-136 and CP2020-145, June 19, 2020, at 9-10.

² Request of the United States Postal Service to Add Global Expedited Package Services – Non-Published Rates 15 (GEPS – NPR 15) to the Competitive Products List and Notice of Filing GEPS – NPR 15 Model Contract and Application for Non-Public Treatment of Materials Filed Under Seal, Docket Nos. MC2020-136 and CP2020-145, May 21, 2020 (“GEPS – NPR 15 Notice”), Attachment 2C, GEPS NPR 15 Management Analysis, at 6.

- updated inputs for the GEPS NPR 15 product related to prices for Priority Mail Express International (PMEI), Priority Mail International (PMI), and First-Class Package International Service (FCPIS) that went into effect on January 24, 2021, as well as the relevant costs for FY2020 filed in the ACR2020 docket, including an alternative set of updated inputs presenting Canada Transportation cost for FCPIS and PMI (for which an explanation is set forth in Tab 00_Narrative in CA_Int_Trans_Calc_PMEI_PMI_FCPIS_Only_2021_03_10.xlsx); and
- files that compare the settlement charge workbook used to develop the updated inputs included with this filing to the most recent previously settlement charge workbook filed with the Commission.

The updated annual costs are to be incorporated in the monthly inputs for the GEPS NPR 15 product, starting with the April 2021 monthly inputs. These materials do not affect the specific GEPS – NPR 15 PMEI, PMI, and FCPIS pricing incentives that are set forth in the GEPS NPR 15 Management Analysis. The only changes are to the software tools used, the format of the financial models, and the inputs used concerning PMEI, PMI, FCPIS, as well as costs.

Redacted versions of the Excel files in the supporting financial documentation filed under seal are included with this filing.

The Postal Service incorporates by reference the application for non-public treatment that was filed in conjunction with the Postal Service's notice of May 21, 2020, in this docket.³ The application protects from disclosure the information that has been redacted from the materials that the Postal Service is filing today with this notice.
